Dear Parents/Carers

As with last year, the whole school will once again be supporting the *Christmas Alone* project, and I am writing to appeal for support from you and the children.

*Christmas Alone* is a local charity that provides gifts for adults in our area who may not otherwise receive Christmas gifts. This is an invaluable service that is run by people who spend their Christmas day with these local people from our community.

Year 3 will receive a separate letter about collecting for The Children's Society in preparation for the Christingle, but if any of you feel you would also like to contribute to the *Christmas Alone* appeal, we would be extremely grateful!

We ask you to provide gifts of good quality up to the value of £3; they can be either for a man or a woman – but please state which on the label. The gifts should be wrapped, and are then displayed under the school Christmas tree before they are collected and delivered to those that need them.

Examples may be small grooming kits, stationary, small torches, wash sets and so on.

In the past, we have managed to donate a vast selection of gifts and I would very much like to continue this tradition by giving as many as we can. Your child can help select and wrap the gift(s).

Gifts can come in to school from 1<sup>st</sup> December and should be placed at the foot of the Christmas tree at the main entrance to the school in Queens and given to your child's class teacher in Mandeville. They will be collected at some point during the last week of term.

Thank you very much for your support in this project and I look forward to seeing a nice pile of presents under the tree!

Miss C. Gilham  
R.E. Co-ordinator
