## Dear Parents / Carers and Children,

What an incredibly busy and scorching week!!!

I hope that those of you who managed to get to the Summer Fair on Saturday had a brilliant time. I certainly enjoyed the new attractions and also managed to get soaked at the hands of Mr Sadler – again! He swears that it was an accident so I can foresee a damp experience coming his way when we are sailing at Barton with Year 5 next week. Can I also take the opportunity to congratulate all cake competition entries. The standard was incredibly high and made judging the entries a real challenge. Well done to you all.

At present I am reading and annotating about 400 end of year reports. I am very impressed by the effort that colleagues put into them and they make fascinating reading.

This week's Foundation Stage Sports Afternoon has been rearranged for next Tuesday 7<sup>th</sup> July at 1:30. Let us hope it is cooler then. In the event of severe heat the sports afternoon would be cancelled. Please ensure your child has a water bottle, sun hat and sun cream applied to help them survive the heat. The FOMs are at it again with the disco on the 10<sup>th</sup> July. They have booked Mr Tiz and flyers with full details will follow next week.

Kind regards *Sue Dutt*

## Summer Fair Shenanigans

We told you the sun would shine!!! What a superb event, with a good number of highlights. Whether it was the competitions in the arena, wanging the welly into the next county, wedging a well aimed sponge in your teacher's mouth (thanks Harrison!), scaling the colossal climbing wall, taking pole position in the go karts, boldly budging a shy coconut, water blasting a rubber duck or two or just relaxing, Pimms in hand, listening to 'Dutch Courage'... without a doubt the best thing by far was the overall friendly and welcoming community atmosphere throughout the whole event. This would not have been possible if it were not for the considerable effort of a significant number of people. Thank you to the FOMs and all staff who contributed to making the day so successful. 2010?... no pressure! Thank you also to all Morgans families who visited and supported the event. Look out for us in the Mercury shortly.

## Fundraising Totals...

The Morgans Summer Fair made a fantastic profit of over £3000 pounds.

The Morgans Mile raised just over £1500 pounds.

A good deal of this combined total will be used to develop our new library in the next academic year to benefit all of our children.

The 'Happy Bag' clothing collection raised £304 pounds. At 45p per kilogram, that must have been quite some pile of old clothing!!!

## WWW.GAMES

Not wrestling luckily, and no lycra was in sight! On Tuesday Morgans Year 5 and 6 sporting prodigies spent the day at Wodson Park competing against other schools across a range of events and activities. Having narrowly been pipped at last week's District Sports, this time they went one better and continued their impressive sporting year by becoming the overall champions of the 14 schools involved!!! Excellent stuff team. Really well done to all who took part.

## Reports Report...

The staff and Mrs Dutt are ecstatic to report reports for this year are virtually complete. Mrs Dutt's bloodshot eyes are testament to the level of effort, detail and knowledge each teacher has about your children. These will be brought home on the final Monday of term, when your child will also discover their teacher for next year.

**Should you require a copy of the report to be sent elsewhere, please supply your child's teacher with a stamped addressed envelope.**

## Cake-tastic Capers

The inaugural winner of the prestigious 'Morgans Champion Baker' was Molly Waugh with her stunning garden/allotment chocolate cake. Mrs Dutt judged the competition and all involved were impressed with the effort, originality and overall standard of the competition entries. The runners up were: Molly Daniels (green fish), Nancy Waugh (pretty pastels cake with mini cakes on top). The following were highly commended: Ash Deaton (Morgan the chocolate squirrel cake), Mitchell Knott (ice cream cone cake), Sarah and Holly Yorke (choo choo train cake). Other worthy mentions include: Ethan and Joseph Brooks Skeet (jelly diamonds cake), Lottie and Charlie's (malteser cake) and Jasmin's (aqua icing on pink Morgans cake with outline of Morgans squirrel). What will it take to win the title next year??? I am told – the pictures do not do the cakes justice!!!

## The Lean, Mean, Giving Machine...

This link now features on the schools website on the home page: [www.TheGivingMachine.co.uk](http://www.TheGivingMachine.co.uk)

Please add a shortcut to your desktop and use it each time you shop online.

# Cuffley Camaraderie...

Year 4 returned grubby, though safe and well last Friday and with many great memories and experiences to share. Here are a selection of the antics they got up to...
