## Dear Parents / Carers and Children,

A shorter and comparatively quiet week after the excitement of our birthday week - this is a good thing. However, a fair few activities have still been going on.

Year 5 has visited the newly refurbished Hertford Museum and Year 3 has been out and about in the town looking for evidence about the history of Hertford.

Year 2 had a brilliant day on Wednesday building with Lego to make houses and other constructions. The visiting Lego Technician was quite rightly most complimentary about the behaviour and enthusiasm of our children.

Our annual questionnaire will be with you this week. I have kept the same format so that we can make a straightforward comparison with last year. Thank you very much for taking the time to let us know your views.

Our visiting coaches for kwik cricket and athletics have started their summer programme. I know that the children really appreciate their time and effort. Mrs Lundy has also started to train our cross country team in readiness for this year's district race. We usually give a good account of ourselves in this event as Mrs L trains the children hard!

Enjoy your weekend.

Kind regards *Sue Dutt*

## Morgans' Magnificents

This week's Morgans' Magnificents were Year 1, who wonderfully wrote and read the following recounts to the school about their trip to the hard to spell Bekonscot Model Village:

"Yesterday we went to Beckonscot Model Village. We travelled there on a coach. I was in a group with Mrs Beanlands, Leon, Jack, Fynn and Louis. My favourite part was the tennis court." By Roberto.

"Yesterday we went on a trip to beconscot Model Village. I really enjoyed it very much. We got there by coach, I felt a bit sick on the coach. I was a bit frightened when there was a pretend fire and there was real smoke coming out of a hole in the house (model). Then we looked at the model fun fair. I liked it very much." By Layla.

The quality of handwriting and clarity of reading was equally impressive. Very well done Year 1.

## Lego Legends...

Year 1 and 2 had a great morning using lego earlier in the week: "At our lego workshop Year 1 and Year 2 had lots of fun making a lego city. The Year 2's even made them light up by using electric circuits. We also made a train track with a great big bridge going over."

By William and Olivia Year 2

## FOMs Meeting...

The FOMs are meeting next Thursday 13<sup>th</sup> May 8:00pm in Barroosh, Hertford. They would welcome any new recruits to help with school fundraising. If you have still to return your Morgans Mile sponsor money, please do so as soon as possible, so we can make public the final total.

Thank you to all who have so far.

# Term Dates...

Term Dates - Academic Year 2010/11:

## Autumn Term 2010

02/09/2010	inset 1
03/09/2010	inset 2

# Wind In The Willows Production...

Hertford Dramatic and Operatic Society's junior arm - Young Idea - is putting on a dramatised version of Kenneth Graham's childhood classic 'Wind In The Willows' at Sele School wc 17<sup>th</sup> May.

Several Morgans' pupils are in the cast: Maddy Crowther, Erin Crowley, Fiona Markey and Jasmine Mitchell.

There is an evening performance at 7:30 from Wednesday 19<sup>th</sup> May to Saturday 22<sup>nd</sup> May, plus an additional matinee performance on the Saturday.

For tickets or additional information please phone:

01992 586441 or 01992 582566
