1st July 2011

Morgans Hotline Number: 0844 412 1741

Dear Parents / Carers and Children,

I am sorry that I am not writing very much this week but I am in the process of reading and writing on four hundred odd reports. The teachers are only just completing them in to me as they have had very frustrating experiences with the programme that we use to format and generate them. I am confident that the reports will all be with you by next Friday.

The Summer Fair was brilliant! A good time was had by all, the sun shone and FOMS raised £2437.41. A huge thank you to everyone who helped out before, on and after the event, your efforts were greatly appreciated.

Kind regards *Sue Dutt*

Messages...

Asthma Awareness

Monday is a non-uniform day for asthma awareness. Your child should attend school wearing as many different colours as possible and bring a contribution of up to £1, which will go to asthma UK, who fund research and support people with asthma. The Morgans Children's Council have challenged the children to design a poster to raise awareness on what to do if somebody has an asthma attack. They had an assembly two weeks ago about this.

Attention Year 6 Parents...

Year 6 Leaver's Play
Tuesday 19th July 7pm start
- for one night only!

Kentwell Capers...

Year 5 had a scorching and highly memorable day at Kentwell Hall in Suffolk. The journey proved rather warm, though well worth it and it estimated the Tudor dressed staff and children encountered around 50 Tudor actors complete with authentic historical costume, language and detail over the course of the tour. The children had the opportunity to discover a huge amount about the period and ask questions and even try out the way in which people of the time spoke. As an educational experience the day was amazing! Here are some of the sights encountered:

Oh We Do Like To Be Beside The Sea-Side...

Year 2 had a fantastic day at Walton on the Naze, comparing Hertford and the seaside. We had fabulous weather apart from a light shower at lunchtime unlike those of you who were stuck in Hertford! The children all had great fun paddling in the sea and taking part in a sandcastle competition. The winners of this very prestigious competition were Ellie Harvey (2VL/SS) and Kyra Kelly (2AH). The highlight of the day (for some of us!) was eating an ice cream on the beach! All staff would like to congratulate the children for their excellent behaviour which made it a lovely day for all! Thank you to all of the parents that came with us and helped out. We apologise but we have not yet had time to develop any photos but will do so soon.
