

Dear Parents/Carers,

The Gardening Club is back again this year and starting on the 27th April. It will run every Wednesday (during term time) from 3:30-4:30pm until the end of the school year.

This year the club is open to Years 3, 4, 5 & 6 only and will run on a first come, first served basis. The maximum number of children in the club will be 12 as this will allow your child to get the most out of the club as well as for health and safety reasons.

As we expect a large number of applications, we will compile a waiting list as well. Should your child miss three gardening sessions, you will automatically forfeit your place in the club and it will be offered to the next person on the list.

If your child is interested in taking part, please complete the slip below and return it to the office as soon as possible. You will be notified in the coming weeks if your application was successful and the club's plans for this school year. If you haven't received notification that means your child has been put onto the waiting list and will be called if and when a place becomes available.

With kind regards,

Morgans Gardening Club
